MEMORANDUM

To: W. S. Varnedoe, P.E.  
Chief Engineer - Operations

From: J. Kevin Lacy, P.E., C.P.M. *[Signature]*  
State Traffic Engineer

Subject: TEPPL Topic # W-28 - Standard Practice for Work Zone Speed Limit Reduction  
Guideline For NC Highway Construction and Maintenance Activities

Attached for your review and approval is the joint signature letter and Final Standard Practice for the above subject. This practice was developed with input from Division Engineers and their staff, Regional Traffic Engineers and the Work Zone Traffic Control Unit. This standard practice has been presented in draft format at the Operations Staff meetings and comments received have been addressed in the Final Standard Practice.

Please return the original signed letter, along with the Standard Practice and attachments, and my staff will prepare the appropriate distribution. If you have any questions or need additional information, please advise.
